LB 450, 450A, 142,
361, 182

PRESIDENT: The bill is advanced.

CLERK: Mr. President, Senator Bereuter asks unanimous consent to print amendments to LB 142 in the Journal. Senator Maxey asks unanimous consent to print amendments to LB 361. Mr. President, LB 450A introduced by Senator Bereuter of the 24th District. Read title. Mr. President, there are amendments offered by Senator Bereuter to LB 450A. They are found on page 1470 of the Legislative Journal. Read.

PRESIDENT: Senator Bereuter.

SENATOR BEREUTER: Mr. President and members of the Legislature, the Public Works Committee reduced the allowable per diem from \$50 a day for the advisory committee to \$20 a day. I certainly have no objection to that and I am reducing, therefore, the appropriation bill to reflect that fact, reducing it from \$16,000 plus to \$11,500. That is the purpose of my amendment. I move for the adoption of the amendment.

PRESIDENT: Any further discussion? The question is, shall the amendments to the A bill be adopted? Record your vote. Record.

CLERK: 26 ayes, 0 nays on the motion to adopt.

SENATOR BEREUTER: Mr. President, I move for the advancement of LB 450A as amended to E & R Initial.

PRESIDENT: The motion is to advance LB 450A. Record your vote. Have you all voted? Record.

CLERK: 25 ayes, 0 nays.

Then the bill was returned to committee. There are now committee amendments from the Agriculture and Environment Committee.

PRESIDENT: I will have to call on the committee chairman, but Senator Venditte, do you have anything at this time or should we take care of the committee amendments? Senator Schmit. Where is Senator Schmit? If you can get Senator Schmit, you ought to try rather than go to Senator DeCamp. Should Senator DeCamp handle these committee amendments? All right. Senator DeCamp.

SENATOR DeCAMP: Mr. President and members of the Legislature, the committee amendments become the entire bill. And the most important thing to say about the committee amendments is that they are agreed upon by Omaha, they are agreed upon by all the various fighting parties and this whole bill started over the balefill site in Senator Venditte's District and Senator Venditte's original bill had sought to remove completely the balefill site from that area. A number of Senators pointed out to him that
